Subject: Dear Barbara

I am writing to sing the praises of one of your brokers, Ruth deVillers. We stumbled upon her while searching for a home (originally in Darien and other parts). As busy professionals and parents, we were so fortunate to be greeted by Ruth who not only listened to our needs, but was patient, punctual, precise, professional, always readily available ... and in short a gem in this industry.

She was with us through every step of the way in what ended up being a lightning speed process (we bought and closed on a home in three weeks on the first visit with Ruth after months of looking with other brokers). Furthermore, she was full of useful information on just about anything that we could imagine. Also, I must add that the listing agent on the home we bought--who we met at the inspection (Fran Snelwar) was also professional, courteous, and non-intrusive. So, if these two women are a reflection of your practice as a whole, I commend you and look forward to referring Realty Guild to all my friends who may be moving out here. Thank you for your time.

Sincerely,
Carolina Buia Barefoot
